

Buxton Lime is the UK's market leader in the supply of sustainable lime solutions. Our innovative products allow us to continue to diversify our end-markets and act as a vital resource for global sustainability. We work with associated companies operating in Germany, the Czech Republic and Ireland to serve markets in Europe and the rest of the world.

This policy confirms our approach to ensuring Buxton Lime's environmental performance continually improves and delivers the objectives and targets set out in our Sustainability Strategy.

To support our approach, we will ensure that:

- We implement a robust certified environmental management system, appropriate to our activities, to manage risks and support opportunities.
- Our senior management team will demonstrate leadership of the management system to engage and involve employees at all levels, and relevant interested parties.
- Line management have a responsibility to ensure implementation and compliance at a local level.
- We understand the issues that are material to our business, identify areas for protection or improvement and ensure we prevent pollution.
- We understand and meet our compliance obligations, including relevant industry, legal and regulatory codes of practice.
- We set ambitious objectives and targets using information gathered through understanding our aspects and monitoring our environmental performance.
- We take climate adaption seriously, focusing on reducing carbon emissions, using resources efficiently and designing out waste in our activities.
- We focus on the whole life performance of our products, from durability to designing for re-use and facilitating their recycling into innovative new solutions.
- We promote the adoption of responsible procurement principles among our customers, suppliers, and contractors.
- We actively engage with local communities, regulators, and trade associations.
- We provide appropriate resources for the learning and development of our employees, confirming that they understand their role/responsibilities and their contribution in the delivery of this policy. Every employee is expected to work in accordance with the commitments set out in this policy.
- We commit to maintain ISO 14001 certification at all relevant operational locations.

This policy will be reviewed, as a minimum, annually

Peter Butterworth
Lime Director
